Audit by the Portuguese Association for
Controlled Audiences and Print Runs

Channel ON is the largest independent event for Channel Partners, distributors, and senior managers from vendor brands.

Channel ON was designed to gather the IT Channel to discuss the latest trends and most relevant subjects in the industry today, with the goal to provide the IT Channel with independent, impartial information, while creating a platform to allow vendors to coach the Channel through workshops.

Designed for audience of 200 IT Channel readers, Channel ON gathers the main Channel Partners responsible for the greater part of

integration and reselling of Information Technology in Portugal, with particular focus on Partners which address the enterprise and public sectors.

Mainly categorized as Value Added Resellers (VAR), Managed Service Providers (MSP), Systems Integrators (SI), and major Retailers, all attendees will be previously selected accordingly to their potential to vendors.

Next Channel ON will take place in Lisbon on June 5th, 2025.

▶ **SPECIALISED MEDIA SERVICES** **Think “Outside of the box”**

Our expert team of journalists, editors, developers, and designers is ready to offer you a wide range of services specially designed to help you meet your marketing needs.

No-one knows the IT Channel community better than us, so we invite you to leverage our knowledge and create powerful marketing campaigns. Think of our team as an extension of yours. We can design and directly deliver your piece of marketing or integrate it in a more comprehensive program.

We offer print, lead-gen and online solutions, among other services.

PODCASTS AND WEBINARS TO YOUR SPECIFICATION

You can include interviews with your executives, partners or clients about the benefits of your products or solutions. Other topics include the showcasing and review of products and good practices for the integration of new technologies. Lead-gen packages included.

PUBLICITY DESIGN

Our design team will work with your marketing team to develop both print and online advertisements for your campaigns.

RESEARCH PROGRAMS

Rely on IT Channel to gather data on brand preference and awareness, market trends, satisfaction levels, among other indicators.

CUSTOMISED CONTENT FOR YOUR WEBSITE

Our team can create a variety of contents for your website, including case studies, thought leadership articles, podcasts, webinars, etc, in addition to IT Channel's automatic newfeed.

CONTENT MARKETING MAGAZINES

Rely on thought leadership projects or highlight clients' success stories and relevant launch news in the format of a credible IT business publication. Delivered to both your clients and our subscribers.

CUSTOMISED WEBZINES

Add high-end interactivity to your magazine, customising it while you harness the power of the web's global reach and ease of integration with other marketing initiatives.

REGULAR EMAIL NEWSLETTER

Weekly or monthly scheduled updates including case studies, feature articles, and essays on thought leadership for your executive team. Keep your existing and prospective clients up to date on your solutions and provide them with a content-rich experience on your website. Forwarded to your address list, one of our own making, or any combination thereof.

CUSTOMISED VIDEOS

IT Channel's production team will provide you with turnkey services for the production and promotion of a variety of customised videos. Product spotlight videos include a general introduction of your company and will feature brand and contact information. The video will be displayed on our YouTube channel and promoted in our entire network. We can also create other types of videos, such as brand videos.

CUSTOMISED COVER WRAPS

Our production and design teams can create a high-visibility promotional unit in our print magazine.

RESOURCE CENTRES AND COMPANY SPOTLIGHTS

In both our physical and online magazines, we are able to align your brand and solutions with related coverage and segments.

ONLINE AD RATES 2025

THE IT Channel WEBSITE uses Ad Manager:

The Ad Manager system offers a series of solutions designed to break barriers and boost your business in the digital world.

Campaigns programmed by cost per contact are the fairer and most efficient way of delivering your campaign, as they're paid according to the number of times it is viewed and in a way that's tailored to your budget.

With the Ad Manager tool, you can control the progress of your campaigns with reliable audit data, and request the desired segmentation.
